

Year 6: Spring Term

Local Church: Community Sources

The Bible is the story, spread over more than two thousand years, of God's love and how God's people responded to that love. There are all sorts of people - good, bad and indifferent - just as in the world today. God showed his love for them by wonderful deeds and each responded in a special way. There are all kinds of writings and the authors all wanted to tell us one thing: the truth about God. All of them were inspired by the Holy Spirit when they were writing. This is why the church family believes that the Holy Spirit is also the author of the Bible.
